

Moss Creek Community Charitable Fund Grant Proposal

The mission of the Moss Creek Community Charitable Fund (MCCF) is to support local charitable organizations and programs in the Lowcountry, helping those with the greatest needs, consistent with the caring spirit of the Moss Creek Community.

The Moss Creek Community Charitable Fund is administered in partnership with the Community Foundation of the Lowcountry (CFLC), a not-for-profit 501(c)(3) organization.

General Grant Guidelines:

The **MCCF** will consider grant applications using the following general criteria:

- The grant addresses a current need in the Lowcountry (Beaufort, Colleton, Hampton, Jasper Counties).
- The grant will have a major impact on addressing the current need.
- The project is creative and innovative and does not duplicate other efforts.
- The grant demonstrates a strengthening of or is in keeping with the organization's mission.
- The applying not-for-profit organization is a legal South Carolina 501(c)(3) entity located in the Lowcountry.
- Eligible charitable organizations should be focused on services that benefit children.
- MCCF will not consider funding scholarships, fellowships, or tuition support or programs involving a religious orientation or teachings or political organizations.
- MCCF does not make grants to individuals, endowment campaigns, annual appeals, membership drives or other fund raising costs, such as salaries for individuals or groups when travel is the primary focus.
- MCCF does not make grants for administrative costs, such as salaries other than direct program costs, and other overhead, staff training, or marketing and advertising.
- Based on the current resources of the MCCF, we envision making grants of \$500 - \$2,500.
- MCCF may adjust its grants from time to time based upon the fund's resources and the individual grant proposals received.

All grant awards are subject to approval of the Community Foundation of the Lowcountry.

Grants will be monitored and evaluated at least annually and six-month progress reports will be required.
